## Key achievements 2022-2023

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Westfield entered the U10/U11 WOWS football competitions.	An increased number of children were able to access competitive football, achievements were regularly shared in assembly, building the profile of competitive sports in school.	This was a highly successful year for the school football teams, winning the WOWS U11 league and the WOWS U10 cup.
A girls' football team was established.	A girls' team represented Westfield in competitive events for the first time. This allowed the girls' involved to grow in confidence and skill and inspired more girls to join in football at breaktimes.	A girls' football club will be one of the first clubs in 23/24 in order to prepare for more competitive events.
A range of after-school clubs were ran by school staff and Wigan Athletic Community Trust each week.	The number of children who accessed after school clubs increased.	Next year, further opportunities will be sought to combine afterschool clubs with competitive events, for example netball and tag rugby.
Your School Games events were entered.	Increase in number of sporting events/competitions entered.	Your School Games will have a £200 yearly cost from 23/24, a further increase in events entered will be targeted to ensure value for money.
Wigan Athletic Community Trust delivered high quality and engaging curriculum from preschool to year 2.	Children get a strong foundation of key skills during their formative years at school. This sets up a strong foundation for PE and sports as they move through school.	
All children were engaged with active lunchtimes.	Through the use of lunchtime clubs and playground equipment all children had access to active lunchtimes, increasing the	Opportunities will be sought to offer a range of sports during lunchtime clubs.
