

Our Curriculum is designed with the intent to:

- To set high expectations to enable children to become confident, articulate, and independent learners with high aspirations.
- To provide meaningful and authentic opportunities to develop children’s skills, knowledge, and attitudes.
- To develop their understanding of **their local and national heritage** and how they can make a positive contribution to their community and wider society.
- To **broaden their horizons** and ignite curiosity, through well considered provision and experiences in that inspire and motivate learners.
- To reflect and respect the **diversity** of the community.
- To **engage parents** in pupils’ learning.
