Year 6 Leavers

Dear Parents

As the end of term quickly approaches, we wanted to make you aware of some events coming up in year 6.

Leavers' Assembly

Due to the current situation, we are unable to perform our end of year assembly as we have in previous years. However, we will still be celebrating your child's time at Westfield and an assembly will be recorded on Friday 16th. This will be available for you to watch and enjoy together at the end of the day via the school's website.

Leavers' Celebration

On Tuesday 20th, the children will enjoy a fun day of outdoor activities and a picnic lunch. The picnic will be provided by school on this day regardless of whether your child usually has a school lunch. Following the lunch there will be a visit from the ice cream van.

If you have any questions, please contact us via Weduc.

Many thanks

Year 6 teachers.
