Head Teacher Mrs S Baker

6th March 2023

Dear Parent / Carer

Reading books

Reading is an extremely important skill which we are helping the children develop. In order for children to gain confidence in their reading we will now be sending home an additional book for your child to read. This book is the exact book that they will have read in their group. Therefore, your child will feel confident when reading it to you. This is what they look like (although they will differ in colour depending on the group that they are in. The colour sequence is red, green, pink, orange, yellow, blue and grey).

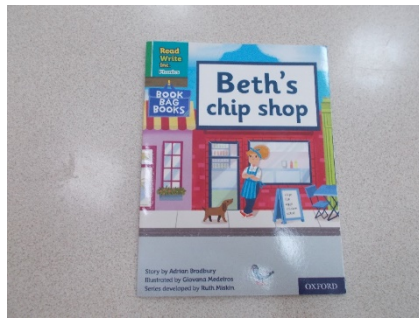

**Current Read write Inc book for their group
Given out on Fridays' to be returned following Friday.**

The book will be given out on a Friday (this is after the children have read it in their group). We would like you to keep the book for a week and aim to read it regularly. Please return this book the following Friday and they will receive the next book.

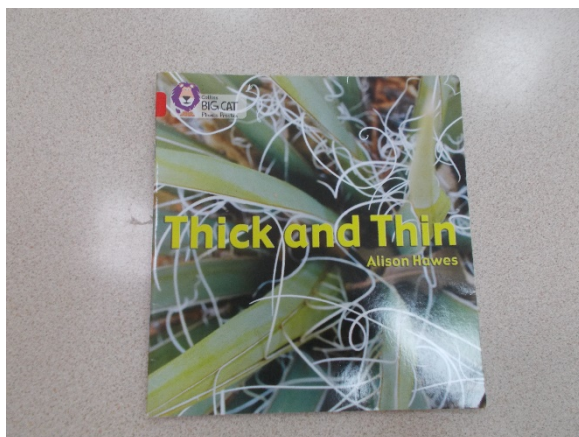

In addition to this book your child will receive a colour banded home reading book. This book is new to them, and they look like this.

This book will be new to your child

These books will be given out and returned in accordance with your child's class teacher (day/times etc).

Furthermore, children may receive a book from our scheme Big cat. These books will differ in colour so please don't worry if they don't match the Read Write Inc colours. These books look like this. Similarly, these books will be given out and returned in accordance with your child's class teacher (day/times etc).

This book will be new to your child

If you have any questions please do not hesitate in raising them with your child's class teacher.

Kind regards,

Mrs Woodcock
Early Reading Manager
