RE: GARDENING CLUB

We are starting an After School Gardening Club on Monday 12th May from 3.15pm - 4.15pm. The club will run until the end of term in July and is open to children from Years 3 and 4. Your child will learn how to grow and look after the plants and vegetables on the ALPS and playgrounds.

If chosen your child should bring to school a change of suitable outdoor clothing including Wellington boots. All children must be collected from the main school reception at 4.15pm prompt. Year 4 children may walk home, please confirm the preferred home time arrangements below.

If, as expected, demand for places is high, names will be drawn from a hat to allocate the available spaces.

Please complete the permission slip below by Tuesday (7th May) if you wish for your child to be considered for the club. If your child is selected to take part, I will send a confirmation slip home with them. If you don't receive a confirmation slip, unfortunately your child will not have been selected this time, however I will keep a list of names in case any of the selected children can no longer attend.

Thank You.
