8th September 2017

Dear Parents/Guardians,

We are hoping to start a Netball Team consisting of boys and girls from years 5 and 6.

This is a fantastic opportunity for your child to work as part of a team, learning how to work and co-operate with others, learn the skills and rules of Netball, and eventually compete against other local schools-representing Westfield. For the children in Y6, this would give them a basis of knowledge before partaking in Netball at secondary school.

We are excited and eager and are hoping to start training sessions **on Wednesday 20th September.**

If your child is interested, please ensure they are aware and prepared for the commitment we would require from them. Training will be held on Wednesday- 3.15pm-4.15pm, and all team members will be required to attend. If your child is regularly absent from training, this will result in them losing their place on the team.

We hope your child will be interested in this fantastic opportunity!

It is vital you return the reply slip as soon as possible, as there are a limited number of places available. Please return the slips by Wednesday 13th September, please do not assume that your child has a place, details will be sent to you after this date.

Thank You

Miss H Catherall
