Dear Parents / carers,

SUMMER READING

Your child will be bringing home a book over the summer holidays. This book belongs to school and is on loan to your child. The children will be studying this book when they come back in the Autumn term. It is essential that they read it or have it read to them over the summer.

So that we can offer this year on year, any lost books will incur a cost of £6 towards the cost of replacing the book.

Have a lovely summer.

Kind regards
