BIKES/SCOOTERS IN SCHOOL

We are experiencing problems with bikes/scooters being brought into school. **All bikes/scooters should be stored and locked securely** in the bike shelter in the upper phase playground, just by the entrance gates. We must stress that all bikes/scooters are left there at the owner's risk. Please also remember to collect these items at the end of the school day, as we have experienced problems with intruders trying to steal these items during the evening.

Thank you for your continued support.

Kind Regards

Mr T Sherriff
Headteacher
