Dear Parent / Guardian

## NEW MEAL ORDERING SYSTEM / ON-LINE PAYMENT SYSTEM

We are currently in the process of upgrading our dinner money system which will eventually allow you to make payments on-line. Further details regarding this will follow in due course.

As part of this upgrade Tempest Photography will be in school tomorrow the 5<sup>th</sup> February to take your child's photograph for the new meal ordering system. Please note that this photograph is purely for internal purposes only

With kind regards
