Westfield Community School – Safeguarding Newsletter – November 2016.

Important Information

I would like to draw your attention to the 'Keeping Safe' information on our school website.

On the main home page of our website, you will see a number on key icons - one being 'Keeping Safe'.

Within this area I have included some very useful information for parents including links to NSPCC, ChildLine, CEOPS to name just a few.

I would particularly like to highlight the 'Net Aware' link. On this page, you will find 'Your Guide to Social Networks Your Kids Use'.

This site is to help support parents when making decisions about the suitability of social media sites, apps and games. There is a significant list of these that have been reviewed and compared by parents and children. It also highlights the recommended age specifications.

Listed are some of the most popular eg)

Facebook (minimum age 13+)  
SnapChat (minimum age 13+)  
Youtube (minimum age 13+)  
BBM (minimum age 13+) plus many more!!

I would strongly urge you to take a look at this website in order to make an informed decision about your child's online safety.
