30th June 2016

Dear Parent / Guardian

STRIKE ACTION – 5th JULY 2016

As you will be aware, colleagues in NUT, will be taking industrial action on Tuesday 5th July. This action is a one day strike.

As it stands, the school **will remain open and no classes are currently affected**. The decision to close the school or send pupils home is never taken lightly, but if any staff members elect to take lawful industrial action, I will have no choice but to take appropriate steps to ensure the health, safety and wellbeing of all pupils. If the situation changes we will of course let you know immediately.

With kind regards

Mrs S Baker
Acting Headteacher
