

Dear Parents/Carers

I hope you and your family continue to stay well.

Following advice I received last night from Professor Kate Ardern, Director of Public Health, I can confirm that school will not reopen until week beginning 15th June at the earliest. A copy of the letter is attached.

When we do open it is our intention to bring the pupils back in a staggered way over a two week period beginning with the youngest pupils first. I will confirm the year groups and dates in due course.

Best regards

Mr T. Sherriff

Headteacher
