## SAFE PARKING / DRIVING

Since opening, Westfield have welcomed the fact that parents are able to access the school to drop off and collect children from school. However, we have been asked by the police to inform parents about the importance of safe driving and parking in and around Westfield at the beginning and the end of the school days. We have been asked to draw your attention to the following points which have been raised:-

- Please be respectful of the **Disabled Parking Bays**
- Do not park on or around the roundabout at the school entrance
- Do not cut across the path of other vehicles at the roundabout
- Please ensure all children are wearing seatbelts
- Please drive at low speeds on the car park
- Do not park on the yellow chevrons at the front of school
- Do not park and cause any obstructions at the school gates

I'm sure you will agree that the Health & Safety of everyone is very important and we should all adhere to the above points. The police are continuing to monitor the area and have advised us that they will be issuing £80.00 penalty notices and points to anyone involved in driving offences.

Thank you for your continued co-operation.

Kind Regards

Mr T Sherriff  
Headteacher
