Dear Parent/Guardian

LIFE EDUCATION BUS

The Life Education Centre is a charity providing unique health and drug education programmes which teach children about the wonder of their bodies, how to take care of them, and how drugs (including medicines, alcohol and tobacco) can affect them

All our children will have an opportunity to take part in the programme, which is specifically designed for their age group. The aim is to encourage the children to think about all aspects of health and make positive decisions about themselves.

The work done with each age group is set out below:-

3 to 4 Year olds	Taking Care of myself
4 to 5 Year olds	All about me
5 to 6 Year olds	My Wonderful Body
6 to 7 Year olds	Feelings
7 to 8 Year olds	Meet the brain
8 to 9 Year olds	It's great to be me
9 to 10 Year olds	Friends

If you would like to help your child remember this visit, Harold merchandise may be on sale for £1.00 from the school office whilst Harold is visiting school,

We would also like to invite parents to the Life Education mobile classroom tomorrow morning between 8.55am - 9.10am, to find out even more about what your child will be doing and to ask any questions you may have.

Kind Regards

Mrs L Hannon
