2nd March 2018

Dear Parent or Guardian,

We were very pleased to welcome Roy Turnham a GB Paralympic Athlete to the school today to support our sponsored Sports for Schools event. During the assembly he explained to the children that he was a blind professional footballer and was England's second highest goal scorer. He inspired the children to take part in sports and to persevere and to be the best that they can be.

Unfortunately, due to unforeseen circumstances, the person who was overseeing the sponsored event was unable to attend. Therefore we will have to re-arrange a date when they can come back into school.

We note that some parents have already sent their sponsorship forms and money into school. This money has been logged and is securely stored and we are happy to keep it in school until the sponsored event is completed. If you wish to discuss alternative arrangements, please contact the school office.

We will contact you with details of the new date once this has been arranged.

Thank you for your continued support.

Kind regards

Mr Fletcher
