29th November 2012

Dear Parent / Guardian

On Monday 3rd December, work will commence to create additional pathways and a water source to the outdoor classroom area (ALPS).

The work will be taking place on the school playing field and entrance area to the junior playground. During the work period, we may need to ask you to enter the junior playground via the infant playground, for Health and Safety reasons. We will put notices up around school and on the main entrance door to make you aware of this, should it be necessary.

Apologies for any inconvenience this may cause.

With kind regards

Mr T. W. Sherriff
Headteacher
