5TH March 2013

Dear Parent/Guardian

Your child is being given the chance to attend the forthcoming residential trip at Wigan Education Authority's Outdoor Education Centre in the Lake District. The visit will take place the week commencing 21st October.

The centre is purpose built with small centrally heated bedrooms, dining facilities, showers, drying room, a classroom and a common room.

The programme will include a variety of outdoor activities such as walking, orienteering, rock scrambling, problem solving, environmental activities, a visit to a farm, climbing, mountain biking plus the possibility of some water sports including sailing and canoeing. Several qualified outdoor education teachers plus staff from school will staff the course.

The cost of the trip will be £120.00. This cost has been substantially subsidised by the school as school will be paying over half the amount per child.

If you would like your child to attend the residential trip, please fill in the slip below and return it to school with a deposit of £20.00 by Friday 15th March. The remaining balance may be paid in instalments and details regarding this will follow in due course. We are also holding a meeting on Friday 8th March to discuss the trip in more detail, please read the attached sheet for further information.

With kind regards

Mr T W Sherriff
