PARKING - WARNING

Dear Parent / Guardian

We have received a number of complaints from parents, visitors and staff regarding the inconsiderate parking, dangerous driving and abusive behaviour taking place in our car park. Can I remind all parents/guardians using the car park of the following:

Please do not park directly outside the main entrance foyer or block the main entrance and exit gates

Please do not exceed the 5 mph speed limit

Please be considerate of other users at all times

There have also been a number of occasions recently when delivery vans / coaches have been unable to enter the car park due to cars being parked just inside the gates and on the chevroned area outside the main entrance, vehicles have had to reverse onto the roundabout causing a serious hazard because they are unable to get through. This would also prevent any emergency vehicles entering the car park which is a major Health & Safety Concern.

Yours faithfully

Mr T. W. Sherriff
Headteacher
