

Westfield Community School

Easter Bonnet Competition

26th March 2025

Dear Parent / Guardian

We are holding an Easter bonnet competition for all our reception children, during the last week of term. The competition is simply to decorate an Easter bonnet with your child. Over the years the creative talents of our children and parents have amazed us.

The finished entry should be brought into school on:

The morning of Tuesday 1st April 2025

The children will take part in an Easter bonnet parade where a judge will then decide upon a winner and they will be awarded with a prize.

With kind regards

Mrs S. Baker
Headteacher
