This week in **Reception W** we have been using the text *Jack and the Beanstalk* to help us with our learning. We have been creating our own interpretations of what a castle and a giant may look like. We created story maps depicting the key events in the story and used our observational skills to write a list of what we could see.

We are updating our school's three-year *Accessibility and Disability Equality Plan*, and we would like to hear your views.

We use the term '*disabled*' in a broad and inclusive way. This includes pupils and adults with special educational needs, learning difficulties and disabilities. The accessibility part of the plan also relates to those or who may find it harder to access information - including those who speak English as an additional language.

Our plan aims to:

1. **Support all pupils** to take part fully in the school curriculum
2. **Improve the school environment** so it is accessible for pupils, parents/carers, staff and visitors
3. **Improve how we share information**, especially for those who may need it in different formats or languages

All responses will be treated confidentially, and no individuals will be identified. Once completed, all paperwork will be destroyed.

If you would like to share your suggestions, please collect a form from the school office or fill in the google form sent to you via the Arbor app and return it to Mrs RM Penman by **Monday 26th January**.

Thank you for your support.
