During our Art week, the children designed and made their own Rio Carnival headdresses. They used different styles paper work to add detail and focussed on bright, bold colours. The children had their very own Rio Carnival parade, in which all the KS2 year groups were involved to see their final results and have a Rio dance party in the glorious sunshine.

Wigan Council is currently undertaking a consultation to better understand parents' experiences of accessing childcare for school-aged children across the borough.

Your feedback will help us identify local childcare needs and any gaps in provision, ensuring future services better reflect the needs of families in your school community.

The consultation focuses on the following types of childcare:

- Breakfast clubs
- After-school provision
- Holiday childcare

The same platform also includes a separate consultation for early years childcare, which may be of interest to families with younger children.
