Across school, the British Values we have been learning about are Mutual Respect and Tolerance of Others. This means showing respect for others' beliefs and religions, even if they are different from our own.

The children have been learning about the similarities and differences within class, celebrating the achievements of others, and learning about different cultures and religions in RE lessons.

In **Rec W** we loved sharing our writing journey with our grown ups who came to our stay and play in class.

Using the text *Squash and a Squeeze* we looked at the characters from the story. We then created symmetrical pictures – we studied the eyes, nose and placement of these features. We are planning on using them to create a display in class

We have had reports of litter and syringes on the pathway between us and Fur Clemt. This is obviously of concern to us and we have reported this to Wigan Council. Can I please urge you to do the same and then hopefully this can be resolved.
