In **Reception W** we looked at throwing in PE. We discovered by using our arms and throwing overhand gives us power and allows us to throw further.

In conjunction with our learning about Snail and the Whale we used the Internet to find out more about how we can protect the whale by looking after the environment. We used the bottle tops we saved and instead of recycling them, we used them to create a turtle.

We have had reports of litter and syringes on the pathway between us and Fur Clemt. This is obviously of concern to us and we have reported this to Wigan Council. Can I please urge you to do the same and then hopefully this can be resolved.
