1W are learning about all things Space this half term! We have been counting in 10s to 50 using the base ten, using our fine motor skills to put the astronauts back together again and sorting words into real or nonsense.

We had lots of fun dressing up as our favourite book characters for World Book Day!

1F have worked hard in Maths. We have been learning about place value to 50.

We had a great 'World Book Day' and loved dressing up as our favourite characters.

This week in **Reception W** we have been creating story maps linked to Jaspers Beanstalk. We then used our Magic Microphone to retell the story to our friends

PE this half term is Yoga. This week we pretended to be arctic animals and here we are in our tall tree pose

Years 5 and 6 are going to be holding fund raising events over the next few months to raise money for some exciting, future school activities.

We will share the events and dates through our newsletter, class blogs and messages on Arbor.

We are hoping to raise as much money as possible, which will directly benefit the children and would appreciate support from parents and carers.

Thank you
