## Polite Notice

### Parking

Can we please remind you that it is illegal to park on the pavement or grassed areas or to block either the entrance or exit to the school as per the attached photos. Doing this is putting our parents and children's lives at danger. If this continues we shall unfortunately have no option but to report vehicles to the appropriate authorities.

After reading the book 'Oliver's fruit salad' we practised our cutting skills and made our own fruit salad for snack. We have been developing our fine and gross motor skills outside, as well as learning to share and take turns.

**Year 3** enjoyed a very informative Road Safety session this week from the Wigan Council road safety team. We have been learning to use Think, Stop, Look and Listen before we cross the road. When riding our bikes, we should always wear a helmet and bright clothes so people can see you. It is important not to be distracted when walking down the street.

**Reception W** had a fabulous trip to Greenslate Farm. The children thoroughly enjoyed learning about the animals and how food is grown. We were lucky enough to get up close to the animals and feed them.

### Uniform Recycle Shop

At our Parents Evenings during week commencing **24<sup>th</sup> March**, we intend to have a uniform recycle shop. We are very keen to encourage sustainability, and this is one way we can support recycling. If you have any school uniform or PE kit that is in good condition and is no longer needed, could you please send it into school for our recycle shop. Please ensure the items have been washed.

During the parents evenings, this uniform will be put out on display in the small hall for any parents to purchase for a small donation.

Can I take this opportunity to remind you that our uniform does not need to be branded, but we do insist that all pupils Rec to Y5 have the correct PE kit of red t shirt and blue shorts.
