In **Reception W** this week we have been learning about Chinese New Year. We have been learning, exploring and finding out more about this celebration.

During our learning, in **Reception F**, about 'Lunar New Year' we read the zodiac origin story 'The Great Race'. The children in reception this year were born in either the year of the 'rat' or the year of the 'ox'.

We enjoyed sensory play with noodles and chopsticks and made money envelopes for friends and family

We have had a good first week back in **POD 1** and engaged with the continuous provision activities. Our topic this half term is animals and we have started with thinking about animals that can be pets, we created our own fish tank pictures.

POD 2 have been learning about Chinese new year this week. We have read some stories telling us about how it is celebrated, made lanterns, learned about how the dragon dances are done and tasted some Chinese foods.

POD 3 worked on their core strength and balance in our Physis session

Years 5 and 6 are going to be holding fund raising events over the next few months to raise money for some exciting, future school activities.

We will share the events and dates through our newsletter, class blogs and messages on Arbor.

We are hoping to raise as much money as possible, which will directly benefit the children and would appreciate support from parents and carers.

Thank you
